RENOVATE THE ROOST

The Vindicator/Robert K. Yosay

Old stadium gets some new green

Canfield High School Stadium has its cardinal mascot in place, above, and the field numbers are being applied, as ProGrass of Pittsburgh installs artificial turf as part of the Renovate the Roost program, funded with donations. At right, Cody Synker and David Tar of ProGrass get ready to place a 4 on the field. Each number is cut and placed by hand.
